##### *Weekly Message*

A very happy weekend to all and from everybody at Westlite and Centurion, we hope you are able to take some time to enjoy the festivities, all be it this year in a reduced social manner. We made fantastic progress this week with employers briefings held on 6<sup>th</sup> August for readying workers to go back to work on 10<sup>th</sup> August. We also swab tested those in block B to clear out the infections so that remaining COVID-negative workers are cleared to resume work.

The wider communities' commitment to each other in abiding by the rules so that we all stay safe is to be commended. This week all teams on the ground and in HQ have been pulling together to put in some special events for the residents. We've had generous donations from BreadTalk with 8,700 loaves of bread and Quick Bites with 6,000+ egg sandwiches sent to the dorms. There was a singing contest held with entries submitted throughout the week and the winners to be drawn on Monday. The final weekly contest was also held, and again more prizes for the residents to win before they are mostly headed back to work next week.

#### *National Day Celebrations*

Some of our HQ staff and the ground teams have been busy on site this week putting up the decorations to help our residents get into the National Day spirit. Above is an example of one of our dorms with decorations hanging all the way up the center balcony. The bright colors and distinct Singapore Flag should hopefully help the residents get into the mood and feel the excitement of the celebrations being had all across the country.

## IN FOCUS

### This Week's Daily Activities

Our tireless Daily Activities Team continues to serve up creative variety of in-room activities for our residents! This week, our residents are challenged on their visual acuity, mathematical and logical aspects of the mind. These activities help them in their problem solving skills, and staying relevant to their work coming in the very future.

### NATIONAL DAY SINGING CONTEST

With National Day coming round the corner, what could be better than involving our residents in our celebrations? The DAT team rolled out the National Day Singing Contest where residents have to record a minute of themselves singing "Stand up for Singapore" song. Spanning an entire week, winners of the contest would get to win amazing slew of prizes, as shown here!

### DONATIONS

To commemorate National Day, our residents would be treated to foods by local brands. We are grateful to our homegrown Breadtalk in offering to sponsor 10,000 loaves of toast to our non-halal residents, and Quick Bites for sponsoring 6,000 egg sandwiches to our halal residents.
